FREUNDE DES
KUNSTMUSEUMS
RAVENSBURG e.V.

INTERNATIONAL

FRIENDS OF THE KUNST- MUSEUM RAVENSBURG E. V.

In the year 2010, Ravensburg’s art association, “Friends of the Art Museum Ravensburg e. V.” was founded. Our goal is to support the art museum in its tasks and projects. Some of which include presentation, mediation and collection of modern and contemporary art, public and private events, art education and scientific work. We also strive to intergrate the art museum into the social, socio-cultural environment. One of our most important goals is working with schools and universities in the surrounding area. This way we are able to introduce children and young adults to the art world, create excitement and get them talking about the arts at a young age.

If you would also like to support the goals of our non-profit association, we would be very pleased about your application for membership.

For further membership information, please feel free to contact our Association Secretary by phone at 0751 36225-56.

MEMBERSHIP BENEFITS

The members of the association promote and support the art museum in Ravensburg. In recognition of their commitment, they receive the following and various benefits:

- Free admission to Kunstmuseum Ravensburg
- The opportunity to visit exhibits before the public viewing. The great part about these private viewings is that the artist(s) or lender(s) are typically present, allowing our members to have first hand conversations with our special guests.
- Other cultural events located at Kunstmuseum Ravensburg, such as lectures and concerts, are subject to free admission or a reduced admission price may apply.
- In addition, the association organizes trips to other museums, exhibition venues and collections, studio visits and other cultural events at a discounted price for its members.
